which is very much desired by the residents of the Third ward. The tilm they discussed is to have the Latician it and theroise of fackson street and Pictor avenue, continue out Jackson street to Tusm avenue, on Tham to Crawford street, on trawford to Eigen and on Pictor avenue, continue out Jackson street in the Louisiana street line, at Main street, be this way the two lines could be joined and the Louisiana and Laticuch ears could each make a being the to himself stading more cars to the Laticuch stars could each make a being the two lines and the louisiana and the Louisiana and Laticuch stars could each make a being the two lines are could each make a being the transition of the two lines and the the peasure Laticuch and Caroline street bett could be made and in addition the attention to make and and addition the attention to the resident by the two lines mentioned above. What will be denie in the matter has not been decided. This extendent would open up a great deal of territory to rand transit that is thickly satiled and I would be a great convenience to the residents of that part of the city. The ground was gone over carefully by General Manuscra Hayward and Mosses. Eillis and Swinford in a carriage and the foasibility of the extension discussed from every standpoint.

There has been a request made upon the company to extend its service in the Fifth ward, but that its of the city ward, but that its and the city ward, but that its and the city ward, but that its and the city ward.
